

PARTS.CAT.COM

Cat[®] Grease is developed, tested, and approved by Caterpillar to meet the same high standards as Genuine Cat Parts. The corrosion resistant Cat grease is specially designed for Cat Machines to greatly reduce pin and bushing wear issues, such as galling and scaring, to help prevent seizing, and to resist water/salt water washout.

Save 20% on all CAT[®] Grease

Cat grease was specifically designed for Cat equipment. Its unique thickener and additive blends provide superior protection for the most severe environments on Earth.
