

# CAT® Batteries Built for Hard Work

[PARTS.CAT.COM](http://PARTS.CAT.COM)

**CAT® Batteries** are designed and tested rigorously to Caterpillar specifications—the most stringent in the industry. So you're assured CAT® Batteries bring the power and proven performance you need for all your equipment.

## Save 20% on all CAT® Batteries

- Heavy-duty, forged terminal post bushings
- Thicker internal posts with extra corrosion resistance
- Premium microporous polyethylene separators
- Optimum acid/paste combination
- Rugged partition connectors
- Impact-resistant, reinforced case
- Manifold vented cover with built-in flame arrestor
- Durable positive and negative plates anchored to the container bottom and locked at the top

## POWERFUL by Design.

Contact your local Quinn Company representative today to receive 20% off your next battery order. Use promo code BG3 through October 31, 2017. Offer cannot be combined with any other programs or discounts.
