Using a golf car to do the work of a utility vehicle? Choose a purpose built utility vehicle designed to carry up to 1,100 pounds instead.

With the highest load capacity of Columbia's range of Utility Vehicles the Utilitruck is heavy duty. For indoor/outdoor operations the EU4 is an efficient, clean, noiseless solution.

Vehicles with internal combustion engines are noisy and dirty. The Utilitruck is PURE ELECTRIC and operates equally well indoors or out. With many available options, the Utilitruck is ready to be configured to your unique specification.
