\*Each of the models in this program has its own special lease rate - the 5,000 lb. capacity models are used as an example here. Contact Quinn Lift for the special lease rates for the other models covered by this promotion.

Promotion is available from participating MCFA dealers to all eligible, qualified customers, who must meet credit requirements. Sample advertised rates exclude applicable maintenance and documentation fees. Freight and local preparation values in the advertised payment calculations may vary based on dealer location. Lease payments will vary depending on the equipment specifications, final price, prevailing interest rate and terms agreed upon between the end user and the dealer. All figures presented are estimates only. Payment information is approximate and for informational and illustrative purposes only. It has been calculated on the assumption that the proposed financing will be approved and funded. All transactions are subject to credit approval and execution of required documentation.
